# DASSAULT FALCON 2000LX

The Falcon 2000LX is available for both domestic and international charters and is stationed in Auckland, New Zealand, serving the region and Asia Pacific. Step into the spacious cabin, meticulously crafted to meet your every requirement. Accommodating up to ten passengers, it boasts luxurious seating and refined interiors for a journey of unparalleled comfort. With two pilots and a dedicated cabin attendant, all your needs are expertly managed aboard this aircraft. Its generous baggage space ensures you can bring everything you require for your journey. Whether for business or leisure, indulge in an experience where luxury knows no bounds. The dual lounge layout features convertible seating that transforms into a comfortable bed for rest during longer flights. Enjoy the convenience of a refreshment galley in the forward cabin area and a lavatory with a basin at the rear, this aircraft ensures efficient, prompt travel, reducing layovers and delays. With top-notch performance and safety credentials, underpinned by Dassault's legacy of excellence, you can embark on your journey with complete confidence. Welcome to a new era of luxury travel with the Auckland based Falcon 2000LX.
